### **Local Developer Donates \$75,000 to Torrey Hills Improvements**

SAN DIEGO -- At the March 20 meeting of the Torrey Hills Planning Board, Carol McDermott of Government Solutions, Inc. presented a check to the Board in the amount of \$75,000 to be used for infrastructure improvements in the community of Torrey Hills. The check serves as the remaining mitigation measure as a result of the Torrey Corner project at the corner of Carmel Mountain Road and East Ocean Air Drive.

This is the second donation of its kind received by the community of Torrey Hills in the past year. Cisterra Partners, LLC contributed \$50,000 in July of 2006 for similar reasons. All of the money will be deposited into the Council District 1 infrastructure fund, dedicated to Torrey Hills. The community recommends that those funds be used to fund a greenbelt project under power lines on East Ocean Air Drive, which will serve as a fire prevention measure to the Los Peñasquitos Preserve.

Hugo Carmona represents Torrey Hills for Council President Scott Peters and was on hand to receive the donation.
